CONDITIONS OF AIRSIDE VEHICLE PERMIT

Any operator of this vehicle **must** comply with the
Kapiti Coast Airport Register of Limitations and Operational Conditions, in particular **Section 5**

1. Vehicles operating airside are required to hold and display a current Airside Vehicle Permit. The Airside Vehicle Permit label must be displayed on the right hand side of the windscreen or in a readily visible position at the front of the vehicle. Permits are not transferable from one operator to another.
2. Any person operating a vehicle beyond an apron or hangar facility shall notify AFIS of their intentions. Two-way communication between the vehicle and AFIS must be available or the vehicle must be accompanied by a person authorised in clause 5.2.1(a) or (f) of the Register.
3. All vehicles operating within the operational area of the aerodrome shall display an amber flashing light and/or turn their hazard lights on.
4. Vehicles within a manoeuvring area or within the equipment lines on the western apron must not be left unattended. Drivers of the vehicle must remain in 2-way communication with AFIS on 118.30MHz and be required to move the vehicle immediately upon request.
5. This vehicle is only permitted for operation in the areas defined on the front of this permit.
6. KCAHL reserves the right to remove people or vehicles from the aerodrome for breaches of any rules, regulations or the conditions of this permit.
7. Instructions either specific or implied on this permit are issued without prejudice to the operator's contractual or legal obligations.

For further information or clarification regarding this permit, contact the **Airport Manager** by email: info@kapiticoastairport.co.nz, or phone: **(04) 298 1013**
